

Welcome to the Griffin Region College & Career Academy for the 2021-2022 School Year!
We are excited you will be joining us!

Please take a moment to read the following information about next school year.

1. The GRCCA will offer only IN PERSON classes next school year - with the exception of the Economics course.
2. If for any reason you are unable to attend IN PERSON classes at the GRCCA, SCTC and Gordon both offer online classes, and you may seek their online offerings for availability. Deidra Dugger is the high school coordinator you would contact for SCTC online classes: deidra.dugger@sctech.edu and Cynthia Jacobs is the coordinator for Gordon State: cynthiaj@gordonstate.edu Online classes are independent from the GRCCA, so please work with these high school coordinators and your high school counselor.
3. All students need to complete their funding application so their tuition will be paid, and they will not receive an invoice. Please go ahead and do your funding application TODAY. [GAFutures Funding Application](#) Parents will then be sent an email to complete a portion to acknowledge your participation in Dual Enrollment. This is not required for Aviation and Teaching Courses.
4. We will host Orientation for the 21-22 school year that all students with a parent are required to attend. Dates are July 29, Aug. 3, or Aug. 4. This will be **brief** - and you will also have a chance to get parking passes at that time, id badges, register for Blackboard or D2L Training, and hear about textbook distribution. You can register for a session at this link: [Orientation](#)
5. Please send an email to: grcca2122@gmail.com to request a copy of your schedule and let us know if you have any questions. *****Please note - SCHEDULES MAY CHANGE in day and times.*** prior to the start of Fall 2021 - due to availability of instructors, and leveling of classes. Classes are limited, so unless you want to drop a class and/or add a different class, we may not be able to accommodate changes. For example, changing ENGL from Mon/Wed to Tue/Thu or a different block will not be made at this time - due to the leveling of classes already completed.
6. Please let us know of any schedule concerns by Friday, May 14th.
7. Please let us know ASAP if you are unable to attend In Person and wish to return to your high school or take online college classes independent of the GRCCA. Again, send that request by Friday, May 21st to the email address above.
8. Please ensure you have applied, submitted transcripts and been accepted if you are taking college dual enrollment classes - **all TESTING Requirements are waived for Fall 2021 and there are no fees for dual enrolled students.**

Gordon core academic classes are in the morning on your schedule and here is the link to apply, if you haven't already: [Gordon State](#)

SCTC core and technical classes are offered in the afternoon and here is the link to apply, if you haven't already: [SCTC](#)

Thanks and we are excited to see you all at Orientation and next school year!

Dr. Laura Egle, Director, Griffin Region College & Career Academy
